FREQUENTLY ASKED QUESTIONS

How many photos will be included in my gallery?

The number of images in your online gallery depends on the wedding collection you select. A good rule of thumb is to expect about 60-80 images per hour of coverage.

Do you help with posing?

TESTIMONIALS

Maria far exceeded our expectations! She did a wonderful job capturing candid, emotional moments from our wedding day, but was also great at managing our large bridal party and formal family photos after the ceremony. We are truly obsessed with how they turned out! We're not used to taking a lot of photos, but she made us feel relaxed and comfortable right away. I think Maria was the best wedding vendor we had.

Antonia + Matt

Maria is amazing!! She made us feel super comfortable and created such a fun experience. We had our wedding ceremony at San Francisco City Hall and from her photos you never would have known that there were other couples in the building.

Briane + Gabe

Maria was an amazing photographer for our small, intimate backyard wedding. She was able to capture all of our special moments with her skills for noticing nuances and making all of the guests feel at ease. She was SO great to work with. Maria made us feel at ease immediately with her very calm and chill demeanor, and we got some amazing formal pictures as well!
